QUICK START GUIDE

OVERVIEW

Getting to know Elite S:

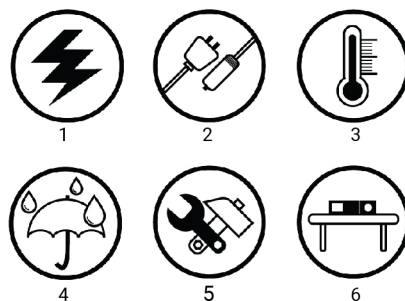

Elite S—the first product of Magnet's Elite series—is a D/A with high-resolution music streaming capabilities.

Follow these guidelines to be ready for your moment with Elite S.

Included in the box:

- + 1 Elite S
- + 1 Infrared Remote Control
- + 1 Power Cord
- + 1 USB 2.0 Cable
- + 1 Wi-Fi Antenna

SAFETY PRECAUTIONS

1. To prevent the risk of electric shock, do not remove the cover.
2. To prevent damage, do not turn on this device or speakers until all connections have been made.
3. Do not cover this device while using. It may result in overheating.
4. Do not expose this device to moisture, rain or any kind of liquid.
5. Do not make modification or substitute components. Failure to do so will void the warranty.
6. Place this device on a hard, level and dry surface.

CONNECTION

Via Ethernet:

1. Connect Ethernet cable to Ethernet socket. **7**
2. Connect cables from analog output sockets to your speaker system. Alternatively, connect your headphone to the headphone jack. **8**
3. Connect the power outlet. **4**
4. Turn on the device. **1**
5. Wait until 'LAN' icon  shows up on a display.

You are successfully connected via Ethernet!

Via Wi-Fi:

1. Connect Wi-Fi antenna to the socket. **5**
2. Connect cables from analog output sockets to your speaker system. Alternatively, connect your headphone to the headphone jack. **8**
3. Connect the power outlet. **4**
4. Turn on the device. **1**
5. Wait until 'Soft AP' icon  shows up on a display.
6. Download 'mconnect control' application on Google Play (Android) or App Store (iOS).
7. Select Wi-Fi named 'ELITE S_xxxx' on your mobile and enter password below.

Password: password

8. Open the app and select 'Setting' icon  -> Device setup -> Select your device.
9. Select Wi-Fi network selection, then choose your home Wi-Fi name and enter your password.

You are successfully connected via Wi-Fi!

After successfully connected via Wi-Fi, please ensure your mobile switches the connection back to your home Wi-Fi.

ENJOY MUSIC FROM NETWORK

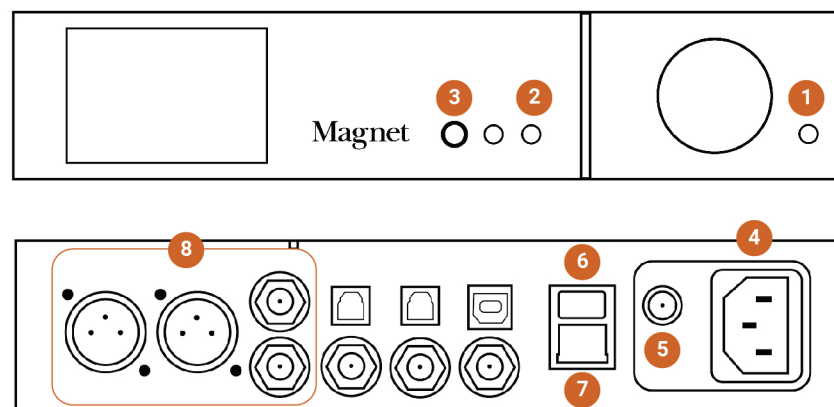

Using with mobile application:

1. Please ensure to follow steps for connection.
2. Download 'mconnect control' application on Google Play (Android) or App Store (iOS).
3. Open the app and select 'Play to' icon. 
4. Select 'Magnet ELITE S' from the list, then the name will appear at the top of the app.
5. Select 'Browser' icon  and select your music streaming service. Alternatively, you can connect your USB storage into **6** and it will show up on the browser menu also.
6. You may be asked for credentials to log in to your streaming account.
7. Select your favorite track and enjoy your moment with Elite S!
